"But if the watchman see the sword come, and blow not the trumpet, and the people be not warned; if the sword come, and take any person from among them, he is taken away in his iniquity; but his blood will I require at the watchman's hand." (Ezekiel 33:6)

It is a sad bit of news we must bring to the inhabitants of Central Florida, who parade into these four foul houses of

Baal -- or who would be fortunate to pass by our ambassadors as they cry against these false idols. A truly sad bit of news. By any account of recent history in Florida, the sword of God's vengeance has come upon that sin-sick peninsula. Rather than ***"blow ... the trumpet"*** so that the people will be alarmed about their sin and the temporal judgments of God for those sins, the false prophets of the churches have boldly declared: ***"Peace, peace; when there is no peace."*** (Jeremiah 8:11) Here is the promise from God to them, in the days very soon to come upon the earth:

"For when they shall say, Peace and safety; then sudden destruction cometh upon them, as travail upon a woman with child; and they shall not escape." (1 Thessalonians 5:3)

Somebody has to faithfully warn the inhabitants of Florida, and all the earth. From before the world began, there was a day appointed in which the avenging Christ ***"might take hold of the ends of the earth, that the wicked might be shaken out of it"***. (Job 38:13) What hatred these false prophets of Central Florida have shown to be as speechless watchdogs that cannot bark (Isaiah 56:10) but rather sleep, lying down, loving to slumber? Sins are eternally deadly. No amount of lies can stop the final judgment of God any more than they could have stopped hurricane Irma! Since the preachers of Longwood and Altamonte Springs, Florida have lied, the ambassadors of Christ must come to plead with you to repent and flee the wrath to come. Amen!
