## **WBC TO PICKET THE WOMEN'S NCAA TOURNAMENT AT SPRINT CENTER (1407 GRAND BLVD., KANSAS CITY, MO.) FRIDAY, MARCH 23<sup>RD</sup> FROM 6:30 – 7:30 PM**

The following schools, all represented by their women's basketball teams playing in the Women's NCAA Tournament Kansas City Regional, openly, notoriously and shamelessly support that abominable sin condemned throughout the Bible, including Romans 1:26: *"For this cause God gave them up unto vile affections: for even their women did change the natural use into that which is against nature."* So we preach! Specifics are:

**North Carolina State University:** Not content to inculcate *"vile affections"* into their college-aged students, this monstrous institution is aggressively reaching out to high school students with a so-called *"Queer Youth Leadership Summit"* touted as an opportunity to *"build connections"* with *"pre-college students"*: <https://oied.ncsu.edu/divweb/2018/02/22/glb-center-hosts-inaugural-queer-youth-leadership-summit/>. On top of that, the Wolf Pack's local lesbians recently celebrated the 10-year anniversary of their on-campus *"GLBT Center"*: <https://oied.ncsu.edu/divweb/2018/02/15/glb-center-10-year-anniversary-brings-community-together/>

**Mississippi State University:** Deep in America's *"Bible Belt"*, one would hope this institution of higher learning had not caved to the militant sodomite agenda, but one would be wrong. This place boasts its *"Gay, Lesbian, Bisexual, and Transgender Resources"*: <http://guides.library.msstate.edu/glb> Their *"Bulldog Bash"* obviously has taken on a whole new dimension.

**University of California and Los Angeles (UCLA):** Here, one can head out on a bright California day to the on-campus Lesbian Gay Bisexual Transgender Resource Center <https://www.lgbt.ucla.edu/> and, among other things, learn more about the estimated 267,000 *"LGBT-identified individuals among the adult undocumented immigrant population"*: <https://williamsinstitute.law.ucla.edu/research/census-lgbt-demographics-studies/us-lgbt-immigrants-mar-2013/> Surprise, surprise! California is gleefully importing illegal alien sodomites. Who would have thunk it!?

**University of Texas:** Lastly, but not leastly, the bedrock solid conservative state of Texas is home to this university where things have so deteriorated that student sodomites are hard at work *"community building"* between themselves and alumni sodomites: <https://www.texasexes.org/chapter/lgbt-network> More specifically, one goal is to *"engage, in a positive and uplifting way, LGBTQIA alumni and allies with the traditions of The University of Texas at Austin."* Sick stuff right there! And definitely TMI!!
