“But the men of Sodom were wicked and sinners before the LORD exceedingly.” (Genesis 13:13)

There are endless ways for sodomites to work feverishly in sanitizing their gross sins in the eyes of mankind and – if it can be said – God! This accumulation of self-important healthcare professionals is holding their sixth annual conference to promote sodomy and work at bleaching the indelible stain of health nightmares with which God afflicts these monstrous sinners. They will fail, as we know what is written in the testimony:

“Be not deceived; God is not mocked: for whatsoever a man soweth, that shall he also reap.” (Galatians 6:7)

There is no way in God's Creation that these *wicked* men and sinners will travel this life without noisome and grievous pain and suffering. It is in the sodomite brand. It is in the very name that God has put upon them – and every such soul affliction: **wicked!** That word, the Hebrew “*ra' rah*”, means malignant; giving pain, unhappiness, misery; distress, injury, calamity, affliction, sore! This sorry lot of humanity is declared by the Creator as being incapable of anything but ill-health – in body and soul! What will a batch of silly healthcare workers do to unring that eternal bell? We tell you, sorrowing, that there is nothing to do but flee that miserable scene, and repent and seek the mercy of God through Christ Jesus! Therefore, the servants of God at WBC must come to New York, stand in lawful proximity to this sad mess, and cry against this alter of lust and death.

GOD HATES FAGS & FAG ENABLERS! REPENT!
