LORD WILLING, THE GOSPEL OF JESUS CHRIST TO BE PREACHED TO THE IDOLATORS AT THE NOAA GLOBAL MONITORING 46th ANNUAL CONFERENCE; 325 BROADWAY STREET, BOULDER, CO TUESDAY, MAY 22ND, FROM 11:30AM - 12:15PM

God hates the National Oceanic & Atmospheric Administration! Rather than praising God and obeying Him, you have gone about to create idols and serve yourselves and your lusts. Worse yet, you steal God's glory by placing these matters at the feet of your made up "Mother Nature".

Here is what this world has to look forward to, and what all the increased turmoil in the heavens and earth are inexorably leading to as the final execution of God's will on the issue of climate change: **The day of the Lord will come as a thief in the night; in the which the heavens shall pass away with a great noise, and the elements shall melt with fervent heat, the earth also, and the works that are therein shall be burned up. 2 Peter 3:10**

The things you spend all your time and money "studying" will all be burned up; the fundamental elements that make up all forms of life will melt away! No conference can stop this from happening, and no amount of pretended confusion and mocking will stop the servants of God at WBC from telling you plainly that the globe *will* get warmer, the climate *will* change, and humans *will not* be capable of stopping their march to their destruction.

Lord willing, we will be visiting you wherever you perpetuate the lie that these destructive forces are merely the accidental outcome of misguided humans overusing their planet. We will bring signs to remind you that this is the sovereign God's glorious work to separate and redeem His people. We will remind you that God is mocking your science falsely so-called; that He hates your filthy whore Mother Nature; and that you all are doomed for your disobedience and rebellion.

GOD HATES THE NOAA. REPENT OR PERISH!
